

Instagram: 5 Minute Daily Marketing Plan

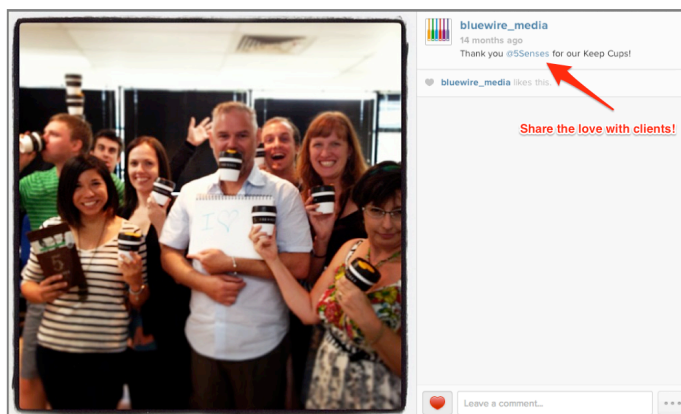

>> BEGINNER

> 2 minutes: Start following customers

Search for and start following your ideal customers and existing customers. Be sure to:

- 1 Like their images.
- 2 Leave comments.
- 3 Show them the love!

It is also polite to follow someone back if you know them or they sound interesting.

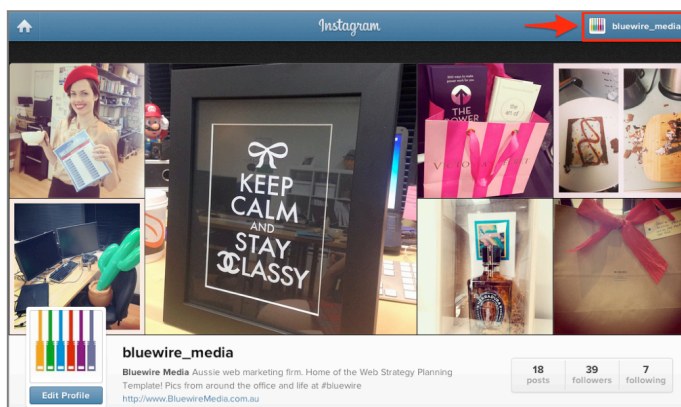

> 2 minutes: Post content

Take a photo, edit it using Instagram's built in filters and post it live. Consider including a hashtag or two that are popular with your ideal customers

> 1 minute: Tell your community about your page

Tell your community about your Instagram page (via Twitter, Facebook, LinkedIn, email and on any other communications!)

>> ADVANCED

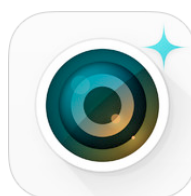

2 minutes: Follow and engage influencers

Follow an influencer so you can like a photo and leave a comment to engage with them.

3 minutes: Get better at using photo filters

Improve your use of photo filters to get more creative with your pictures (e.g. Photo Editor, VSCOCam, Frametastic, Camera Plus \$1.29 or Over \$1.99)
